### Product description

"Weber.floor 4675N Marine Flow Rapid"  
a cement based polymer modified self levelling floor screed.  
Weight : 1.65 kg/mm/m<sup>2</sup>.  
Thickness : 2-30 mm.

### Application/Limitation

Primary deck covering, not generating excessive quantities of smoke nor toxic products in fire. Approved for use throughout the accommodation. Not to be used as an integrated part of horizontal class A division unless tested as such.

Each product is to be supplied with its manual for installation, use and maintenance.

### Type Examination documentation

Test report No. F800203B dated 19 February 2008 from SP, Borås, Sweden (product name when tested: "maxit floor 4675 MarineFlow Rapid").

### Tests carried out

Tested according to IMO FTPC Part 6 and IMO FTPC Annex 2, section 2.2, and in compliance with IMO 2010 FTP Code Ch.8.

### Marking of product

The product or packing is to be marked with name of manufacturer, type designation, MED Mark of Conformity and USCG approval number if applicable (see below).

### Mark of Conformity

The manufacturer is allowed to affix the Mark of Conformity according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and shall issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

- Module D: The quality system for production and testing shall be approved by the Notified Body.
- Module E: The quality system for inspection and testing shall be approved by the Notified Body.
- Module F: Compliance of the products to type as described in this EC Type-Examination Certificate must be verified by the Notified Body who also shall issue a Certificate of Conformity.

### USCG Approval

An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of certificates of conformity for marine equipment" signed 17 October 2005.
